Racial discrimination does not always violate public policy.

~Trent Lott

The highly motivated young people who comprise the backbone of our military force truly are taking their place as one of America's greatest generations.

~Trent Lott

We can support our troops without supporting our president.

~Trent Lott

I'm not a fan of Secretary Rumsfeld. I don't think he listens enough to his uniformed officers.

~Trent Lott

Why do Sunnis kill Shiites? How do they tell the difference? They all look the same to me.

~Trent Lott

Freedom is never easily won, but once established, freedom lasts, spreads and chokes out tyranny.

~Trent Lott

When you're in this type of conflict, when you're at war, civil liberties are treated differently.

~Trent Lott

While it may take generations of nurturing, nations founded on and grounded in freedom will eventually overcome and prosper. Once free, folks rarely accept anything less, and that includes Iraqis.

~Trent Lott

One of the things I really want is for people to feel the civic responsibility, and not just refuse to vote out of protest.

~Trent Lott

I'm like a woman scorned. I'm prepared to continue to kick their fanny until the last day I'm alive on this Earth because they have mistreated too many people.

~Trent Lott

Money is becoming one of the most corrosive elements of politics.

~Trent Lott

I am an advocate of having a gold dollar with Reagan's picture on it, and calling it the Ronnie. The Canadians have the Loonie, and we can have the Ronnie.

~Trent Lott

There are people who don't vote for a lot of reasons, sometimes as a statement.

~Trent Lott

It seems that nearly every American either has a share of federal spending or has a close relative who does.

~Trent Lott

Talk radio is running America. We have to deal with that problem.

~Trent Lott

I think the important thing is for the president to show action. The people in America want to know that we're listening to them and their concerns.

~Trent Lott

I want the President to look across the country and find the best man woman or minority that he can find

~Trent Lott

I don't agree with the libertarians. I want my security first. I'll deal with all the details after that.

~Trent Lott

Most Americans in both red and blue states reject and resent the message being sent by Hollywood and some in the media that values are subjective, to be defined by the individual and not by God.

~Trent Lott

The vision of a nation formed from many different peoples bound together by a common love of freedom was staked out long before our lifetimes or even our parents' or grandparents' lifetimes.

~Trent Lott

Government does best when it helps people help themselves. Human dignity is found not in a handout but in being able to do for one's self.

~Trent Lott

It is America, I don't want the government trying to control more of my life. I want less government control, and I think there are too many government regulations, laws and taxes on the books.
