As far as wrestling goes, as long as my body is able to withstand the physical beating, I will keep wrestling.

~Trish Stratus

I'm missing a knuckle, it's crushed inside my hand at the moment.

~Trish Stratus

All you have to do is open your heart, just like you opened your legs.

~Trish Stratus

I don't care if you're Britney freakin' Spears, nobody is going to steal my spotlight!

~Trish Stratus

But as much as I am personally proud for winning five championships, I'm equally proud just being part of a women's division that has gotten so much better with all these great athletes here.

~Trish Stratus

I think people get too comfortable, in just doing what they do every week. And I'm all about challenge and change, and I like to read the audience.

~Trish Stratus

Each championship is unique and special.

~Trish Stratus

And that's what I've learned too: writing is key.

~Trish Stratus

Now, at this point, I can wrestle, I can go out there and cut an entertaining promo, I can also do the backstage stuff... and if you can contribute more to the show, you have more staying power.

~Trish Stratus

And I'm so thankful that I've been allowed to show another side of Trish.

~Trish Stratus

Royal Canadian Air Farce, and I was in three sketches there. And they wrote some really great stuff for me.

~Trish Stratus

Recently, I went up to Casino Rama to see Martin Short's show, just to see how he put it all together. And after the show, I went backstage and picked his brain to find out why he did certain things.

~Trish Stratus

Yeah, the record for most titles was previously held by the Fabulous Moolah, she won it four times. And a few weeks ago, I won the title for the sixth time, which has never been done before.

~Trish Stratus

I think I can finally say I am at my most confident and comfortable out there, physically.

~Trish Stratus

There really isn't a day when I wake up and DON'T have to be someplace.

~Trish Stratus

Well, actually, the Second City thing came about because I was taking a few improv classes there. I thought that the improv classes would help with my wrestling career, which it has.

~Trish Stratus

We got great ratings and fan interest, and that's what management wanted.

~Trish Stratus

Hello...911? I'd like to report a robbery, looks like Trish and Tomko stole the show!
