I'm very sensitive. It's always been something I'm very in tune with. I am very emotional. Sometimes to the point of where I just want to hide away, because I can't get a handle on myself.

~Tyler Blackburn

Knowing the right questions is better than having all the right answers.

~Tyler Blackburn

One of the biggest things I think we all can do is just try to live the best lives we can, and seek the best.

~Tyler Blackburn

I do try to experience the emotions as they come, but sometimes it becomes just too much.

~Tyler Blackburn

In a lot of ways, certain things, it feels like they're never going to go away. The best thing to do is continue to ask questions, look that fear in the eye.

~Tyler Blackburn

I hardly ever remember my dreams.

~Tyler Blackburn

I don't surf the web very much.

~Tyler Blackburn

I have exes I'm friends with and exes I'm not friends with. It depends on what you decide together. I do think that sometimes trying to maintain that bond can be healthier than walking away.

~Tyler Blackburn

As a kid, I was mischievous, necessarily, but I always wanted to do adventurous stuff.

~Tyler Blackburn

I really like individualism based on truth.

~Tyler Blackburn

I really like individualism based on truth. That's something I try to think about. What do I actually think about that, what do I actually feel right now? As opposed what should I feel.

~Tyler Blackburn

I love women, and I just think that they're great. I mean, yes, they can be a little nutty sometimes, but they're great.

~Tyler Blackburn

I was kind of a floater [in high school]. I got along with different types of people but I just was not cool, and definitely a late bloomer.

~Tyler Blackburn

If you have a solid friendship before dating, there's this understanding that you can be just you But you should still have fun hooking up!

~Tyler Blackburn

I'm very sensitive. It's always been something I'm very in tune with.

~Tyler Blackburn

Even in acting, when I watch an actor who I find to be so truthful in their craft, or a musician who gets up there and sings so truthfully - I like that.

~Tyler Blackburn

Instead of spreading antagonism or hate, try to make a positive remark about something.

~Tyler Blackburn

If we seek the most happiness we can as individuals, it sort of bleeds into other people's lives.

~Tyler Blackburn

If you have an ideal world, your actions should follow suit. And that will sort of hopefully spread.

~Tyler Blackburn

As life goes on I'm learning to trust myself more, so I am more comfortable - you have to be, doing things in front of people, especially when there's lots of pressure. I have to make decisions.

~Tyler Blackburn

There's a responsibility level that comes along with being a public figure. I can use this for really cool things. That really [allows] me to be very honest about my experiences.

~Tyler Blackburn

Vulnerability is kind of one of those things of, how do I really feel in this moment?

~Tyler Blackburn

When you're put in a position where you're having to decide, Is this a good decision? Is this the right decision for everybody involved? - it makes me feel a little unsteady, unsure.
