People are in your life for a reason, others are there for a season and it's important to realize when those seasons are over.

~Tyrese Gibson

People are dream killers--you've got to be careful who you give emotional access to.

~Tyrese Gibson

You will always grow through - what you go through.

~Tyrese Gibson

I can say, hands down, 'Annapolis' is the most challenging film I've ever taken on.

~Tyrese Gibson

The dream is free. The hustle is sold separately.

~Tyrese Gibson

Change your mind and it will change your life. If nothing around you changes, changes the things that are around you.

~Tyrese Gibson

Life is a menu. Whatever you order is what's delivered to the table.

~Tyrese Gibson

God will NEVER give YOU something SOMEBODY ELSE is supposed to have

~Tyrese Gibson

Today I begin a new life for I am the master of my abilities and today is going to be a great and beautiful day!

~Tyrese Gibson

Other peoples' success represents the possibility of what you can do.

~Tyrese Gibson

For every level there's another Devil.

~Tyrese Gibson

Your actions reflect what you want for yourself and how much you love and value yourself. Your actions reflect how you see yourself, what you feel you deserve.

~Tyrese Gibson

If you're not happy about how you look, you have to question how much self-love you have.

~Tyrese Gibson

There are a lot of directors who make big money and do big things and then move out of the 'hood

~Tyrese Gibson

Excuses sound best to the person that's making 'em up!

~Tyrese Gibson

I've never had to fight hard for anything I've gotten in the past.

~Tyrese Gibson

I'm not Jesus, but I have very valuable information.

~Tyrese Gibson

I think right now a lot of albums that are out there, they sound like mixtapes.

~Tyrese Gibson

Most women can't handle the reality of what comes with being with me. It takes a very secure woman to be backstage at a concert hearing 15,000 females going crazy.

~Tyrese Gibson

When you're in shape, you don't have to walk up to somebody and say, 'Yo, I love myself.' You look like you care for yourself.

~Tyrese Gibson

When you step on the treadmill, make a commitment. Do, say, 3 miles a day. And don't get off until you finish. It doesn't matter what speed you're going. Just don't get off.

~Tyrese Gibson

I don't do group sex. I don't like being in a roomful of all my homeys giving high-fives and yelling, 'Switch!'

~Tyrese Gibson

I have no complaints. I've worked with worse directors in my career.

~Tyrese Gibson

I'm not real huge on horror films, but there's something really special about this.

~Tyrese Gibson

For me, we've been singing diversity in movies for 16 years, so it's just beautiful to see the rest of the world finally catching on and they're making it a point to do it.

~Tyrese Gibson

I think the worst thing you can do is take an arrogant approach and not give people enough content to wrap their heads around.

~Tyrese Gibson

I think ultimately a fan is a fan and you can't put new things on the fans mind if you don't have an audience.

~Tyrese Gibson

I think the most significant moment at a wedding is when you say "I do" and when you do the first dance.

~Tyrese Gibson

I'm definitely more talented than most of the guys I know.

~Tyrese Gibson

You have to take your hat off to the homosexual and gay community cause right now they're as strong as black people USE to be when it comes to their rights.

~Tyrese Gibson

Is Chris Rock still gonna host the Oscars after this blatant racism?? Is everyone still gonna show up??

~Tyrese Gibson

In this town [L.A], I guess it takes homosexuals to be discriminated against in order for someone to finally step UP and wanna do something.

~Tyrese Gibson

When you play somebody's life, everything about your likeness, everything about the way you talk, whatever, has to become that person.
