What is the alternative to peace? A catastrophe for both peoples [Palestine and Israel].

~Uri Avnery

I have always been conscious of the importance and the strength of nationalism, and this has led me straight to the acknowledgment of the nationalism of the Palestinian people.

~Uri Avnery

Well, I myself am a 100% atheist. And I am increasingly worried that the Israeli-Palestinian struggle, which dominates our entire life, is assuming a more and more religious character.

~Uri Avnery

Violence [in Palestina] is part of the resistance to occupation. The basic fact is not the violence; the basic fact is the occupation.

~Uri Avnery

I understand people who believe that without violence they will not achieve anything at all.

~Uri Avnery

In order to put an end to the occupation, you must make peace between the Israeli and Palestinian people. This is the real aim, this is the real task.

~Uri Avnery
