Our society is not a community, but merely a collection of isolated family units.

~Valerie Solanas

The male is an incomplete female, a walking abortion, aborted at the gene stage

~Valerie Solanas

The male is a biological accident: the Y (male) gene is an incomplete X (female) gene, that has an incomplete set of chromosomes.

~Valerie Solanas

I should have done target practice.

~Valerie Solanas

To be sure he's a Man, the male must see to it that the female be clearly a Woman, the opposite of a Man, that is, the female must act like a faggot.

~Valerie Solanas

In actual fact, the female function is to explore, discover, invent, solve problems crack jokes, make music - all with love. In other words, create a magic world.

~Valerie Solanas

A woman not only takes her identity and individuality for granted, but knows instinctively that the only wrong is to hurt others, and that the meaning of life is love.
