As Americans, we do love punishment.

~Vanessa Grigoriadis

Harvey Weinstein is a monster. And what campus victims are talking about has a lot more gray in it - many more complexities.

~Vanessa Grigoriadis

We need new cultural scripts. Women don't say what we want, and we don't say what we don't want. Unless we're reacting to a stranger, we generally aren't great at turning down someone's advance.

~Vanessa Grigoriadis

I think the better question is: How do we want sexual mores to shift, and what will that do for the American experience of both consensual and nonconsensual sex?

~Vanessa Grigoriadis

Believe women first. I think this is very important. We must believe women first, and if the evidence truly stacks against them - in a significant way, not just a minor way - then revise our position.
