Home, Years, Government, Important*

The real end winner of NAFTA is going to be Mexico because we have the human capital. We have that resource that is vital to the success of the U.S. economy.

~Vicente Fox

Prohibition didn't work in the Garden of Eden. Adam ate the apple.

~Vicente Fox

First, to begin with, Mexico is North American; the one that is using wrong the term is United States. United States is not North America. North America is Mexico, United States, and Canada.

~Vicente Fox

Mexico extends beyond its borders.

~Vicente Fox

Instead of building walls, we should be building bridges.

~Vicente Fox

Monuments and archaeological pieces serve as testimonies of man's greatness and establish a dialogue between civilizations showing the extent to which human beings are linked.

~Vicente Fox

There's no doubt that Mexican men and women - full of dignity, willpower and a capacity for work - are doing the work that not even blacks want to do in the United States.

~Vicente Fox

I think it's very important that the United States keeps out of the local electoral process in Mexico.

~Vicente Fox

He [Donald trump] is not welcome to Mexico. By 130 million people, we

don't like him. We don't want him. We reject his visit.

~Vicente Fox

No doubt I enjoy being close to people in the way I dress, the way I speak, and the way I communicate with people.

~Vicente Fox

The important thing is that the worst is over, ... Now comes the reconstruction.

~Vicente Fox

We would betray Mexicans' hopes for change if we felt satisfied with what we've accomplished so far.

~Vicente Fox

What nourishes us at home and in school is what inspires us. When we get awareness and learn about the great potential that we all human beings have, we are able to discover our leadership.

~Vicente Fox

We are a nation in which freedom is alive in the squares and streets, in the daily work of the communications media, in the open relationship between the governing and the governed.

~Vicente Fox

Mexico doesn't deserve what has happened to us. A democratic change is urgent, a change that will permit us to stop being a loser country.

~Vicente Fox

At the very end, what is going to happen is that immigration will be reduced considerably. And how can we get to that stage? By agreements on sectors.

~Vicente Fox

We have dignity in Mexico and we have to put a stop to anybody who offends the dignity of Mexico or its institutions.

~Vicente Fox

President Obama is committed to Hispanics and migrants.

~Vicente Fox

I think there's a big misunderstanding on the value of migrants.

~Vicente Fox

There are people that go ahead, that see problems before the rest, that take decisions before the rest.

~Vicente Fox

If we can put together a Mexican businessman and a U.S. businessman, they will find a way to do more business.

~Vicente Fox

Every idea has its time.

~Vicente Fox

By dedicating so much concentration to the issue of security, bilateral matters pass to a secondary level.

~Vicente Fox

We are not going to build a pressure in Mexico. We're not building walls to retain our people.

~Vicente Fox

Usually Mexico, or always Mexico has defended itself and its territory.

~Vicente Fox

I have decided to fight for my country, because we have build a success story in Guanajuato, with real results and more yet to come in

the next two years.

~Vicente Fox

I believe Mexico should dedicate 100% of its oil revenues to developing human capital and technological development. None of us politicians should be able to touch that money.

~Vicente Fox

We must put together countries that produce drugs, countries that traffic, and countries that consume, and through this multilateral effort really stop the growing of crime.

~Vicente Fox

I am the guardian of power, not its owner.

~Vicente Fox

Let me tell you that I love the United States.

~Vicente Fox

Our number one priority is to spend every peso possible to include those who are currently excluded.

~Vicente Fox

I believe that work can be done on security; in combating terrorism in Mexico we have done our part in this area. But at the same time, the world must continue working.

~Vicente Fox

The job of president is to motivate, to inspire, to be side by side with people making sure that they develop all their capacities and that I remove all the obstacles they have to grow by themselves.

~Vicente Fox

And I like to convey my feelings, my emotions, my experience, the

information I have to public use, public opinion.

~Vicente Fox

Always, in every human action, there are leaders.

~Vicente Fox

I am an honest person, transparent, that look citizens straight in their faces.

~Vicente Fox

Fortunately, I have money that's from my life's work. But it's money that I share and used greatly to fight poverty in my country.

~Vicente Fox

The army should go back to their assigned duties, and police should take the responsibility of fighting the cartels.
