

Vince Young Quotes

*Whatever It Takes, Levels, People, Play, Winning, Whole, Shots, Preparation,
Make Things Happen, Each Day, Balls, Football, Thinking, Guy, Accomplished,
Vocabulary, Feels, Way, Someday, Running*

I have a lot of doubters. I use that as motivation.

~Vince Young

I want to someday be in the same position as John Elway, Joe Montana and Steve Young.

~Vince Young

I am in control. What athlete you know doesn't call the shots? I have the final say.

~Vince Young

I can make things happen when plays break down.

~Vince Young

I don't care if I have to run 100 times or pass it 100 times, ... Whatever it takes to win is all that matters to me.

~Vince Young

My confidence level is a tremendous high.

~Vince Young

I was never nervous. That's not me, ... Nervousness, scariness, that's not even in our vocabulary.

~Vince Young

I'll forever be a Longhorn.

~Vince Young

I could have been a Vincent Young y'all know nothing about. I was on the wrong road, and it was a hard, hard time.

~Vince Young

I feel like I accomplished everything I wanted to accomplish in college.

~Vince Young

All I have to do is play football now.

~Vince Young

Hard work has paid off a whole lot.

~Vince Young

Man, Coach Brown, he's so relaxed. We've seen that guy dancing this week at practice and he's dancing in the locker room. It brings tears to guys' eyes and brings happiness to everybody.

~Vince Young

I'm way different than I was last year. You learn something new every year. I learned a whole lot from last season and a whole lot from this season. I'm still learning.

~Vince Young

I can do whatever it takes to win.

~Vince Young

People told me I'd have to deal more with losing at this level. I understood that, but I didn't want to start accepting losses.

~Vince Young

There are a lot of guys who have terrible throwing motions-worse than mine. But they still get the ball downfield. That's all that matters.

~Vince Young

Whatever it takes to get everybody loose, I'm going to do it!

~Vince Young

Preparation is the biggest key right now.

~Vince Young
