You never really see me acting a fool on TV.

~Vinny Guadagnino

I can work myself up into a fearful, paralyzing state of mind that can last for days, weeks even months where I feel mad, totally isolated and alone, overwhelmed and completely out of control.

~Vinny Guadagnino

My house has always been like everyone's house. You walk in, you're a part of the family, no matter who you are, what celebrity status you are, everyone is treated the same - with love from my mom.

~Vinny Guadagnino

I took the LSAT the day 'Jersey Shore' premiered, and after that I was too busy to go to law school.

~Vinny Guadagnino

I like to be dressy casual. I wear jeans and nice sneakers. I wear nice clothes, but not super dressed up. I don't wear too much jewelry. I keep it simple and maybe wear just a little chain.

~Vinny Guadagnino

My mother's my biggest supporter.

~Vinny Guadagnino

I am fascinated by quantum physics.

~Vinny Guadagnino

You need sucky things in life to make you stronger.

~Vinny Guadagnino

It helps me when I help people.

~Vinny Guadagnino

I'm definitely suspicious of girls. I've been suspicious of girls my whole life, though, so it's not anything new.

~Vinny Guadagnino

I was always the lead role in plays. I like entertaining people. I like when you're on stage doing crazy stuff and the audience gets it.

~Vinny Guadagnino

I don't care who you are, but you turn into a different person when you don't sleep.

~Vinny Guadagnino

All celebrities are real people behind everything.

~Vinny Guadagnino

I would love a recurring role on '90210.' I would say yes to just about any role in acting that doesn't tarnish my image.

~Vinny Guadagnino

I'm in my best shape when I'm really anxious, because I have to get to the gym. Physically I'm in the best shape.

~Vinny Guadagnino

My mom's gonna be the biggest star - mark my words right now!

~Vinny Guadagnino

Nobody wants to be a lawyer - it's hard work. But it was kind of my academic route.

~Vinny Guadagnino

I enjoy painting and can copy almost anything.

~Vinny Guadagnino

I take improv classes. Improv is something I can use in any aspect of

life.

~Vinny Guadagnino

I've always been more natural at doing hosting things: reading teleprompters, taking direction and asking questions... I'm actually able to perform a little bit.

~Vinny Guadagnino

I think people can have a panic attack where your heart is racing, you get shakes and jitters. But you can also feel disconnected. You know what I mean? I can feel depressed.

~Vinny Guadagnino

When I look for self-help books for myself, I used to be scared that I was going to pick up a book that would depress me even more.

~Vinny Guadagnino

I was a huge Spice Girls fan when I was a kid. When I was younger I had a Spice Girls poster on my wall and I watched the movie.

~Vinny Guadagnino

People think for Shakespeare you have to have a big English accent, but it's not true. He designed it so it can be performed in any accent in any time period.

~Vinny Guadagnino

I keep it real normal, like I don't try to act like a celebrity, or say that just because I'm on a TV show I can do other types of TV. I take it very seriously and I respect the art of acting.

~Vinny Guadagnino

I have been doing acting my whole life. I did plays in high school. I take it pretty seriously. I used to do a lot of Shakespeare and Shakespearean festivals and monologues.

~Vinny Guadagnino

I graduated from CUNY College of Staten Island with a 3.9 GPA in three and a half years.

~Vinny Guadagnino

I took the LSAT. My score was decent. I had a plan that if my score was really well, then I might of just went to Yale or Harvard... But it was just mediocre. I can get into law school.

~Vinny Guadagnino

Partying isn't every aspect to my personality.

~Vinny Guadagnino

Anxiety is a natural thing humans have. You know, that's how we evolve. That's how we are, you know, we think things through. Sometimes my mind just thinks things through a lot.
