Musician, Giving, Crazy, Tools, Sometimes, Book, Strong, New Experiences,
Gigs, Culture, Moonstruck*

Eventually, I think cinematography for every culture is a way to explore different stories, different ways of also delivering a story.

~Violante Placido

When I was really young, I got moonstruck by Moonstruck.

~Violante Placido

Turkey was fantastic, Turkey was like mystical and such a special place. Just unique, something that's really hard to describe, such beauty.

~Violante Placido

As an actress I really like exploring and doing new experiences.

~Violante Placido

Movies are different from books and you need to be open to go into that difference.

~Violante Placido

When I'm shooting films, I write and play music when I come home.

~Violante Placido

I write in English. My first album came out in Italy, and I toured and did gigs.

~Violante Placido

Each country is strong on some tradition.

~Violante Placido

I'm more into kind of real stories, psychological movies.

~Violante Placido
