## Quotes

*Soul, Men, India, Spiritual, Country, Land, Heart, Views, Progress, Ideas,  
Evolution, Term, Names, Religious, Real, Practice, October, Cutting, Loss,  
Flesh*

This is my country, that is your country; these are the conceptions of narrow souls - to the liberal minded the whole world is a family.

~Virchand Gandhi

The universe is not for man alone, but is a theater of evolution for all living beings. Live and let live is its guiding principle. 'Ahimsa Paramo Dharmah' - Non-injury is the highest religion.

~Virchand Gandhi

We all understand that the debasement of a nation's coinage is very pernicious and must prove disastrous to its commerce. How much more dangerous is the debasement of the spiritual coinage!

~Virchand Gandhi

The true nature of soul is right knowledge, right faith and right conduct. The soul, so long as it is subject to transmigration, is undergoing evolution and involution.

~Virchand Gandhi

The occult powers may be possessed by soul, but if they are not used in the right way it is a loss rather than a gain.

~Virchand Gandhi

â€the designation of wife in India, of the Hindu wife, is higher and grander than that of Empress. She is called Devi

~Virchand Gandhi

The heart of vegetarians is healed sooner than those of flesh-eaters.

~Virchand Gandhi

In international commerce, India is an ancient country-(19th October, 1899)

~Virchand Gandhi

Matter is a term contrary to soul. But nonsoul is its contradictory.  
Whatever is not soul is nonsoul.

~Virchand Gandhi

On the higher plane the soul is sexless, and those who wish to rise  
higher than the physical plane must eliminate the idea of sex.

~Virchand Gandhi

Since the early beginning of history, India has been the Klondyke of the  
world

~Virchand Gandhi
