Feelings, Remember, Imagery*

People tend to view land art as something that happened at a certain historical moment - like minimal art, which I was also very much involved with. But it still goes on. It's very much alive.

~Virginia Dwan

I think that Walter De Maria's Lightning Field, Michael Heizer's City, and Charles Ross's work in Star Axis New Mexico , all three will last for a millennium.

~Virginia Dwan

Making the effort is quite a pleasure in itself.

~Virginia Dwan
