There is an abundance of misinformation, exaggeration, and blatant lies being spread by interest groups regarding the prospects for embryonic stem cell research.

~Virginia Foxx

The American flag is the most recognized symbol of freedom and democracy in the world.

~Virginia Foxx

Fool me once, shame on you. Fool me twice, shame on you.

~Virginia Foxx

From a parent's right to know what their children are doing, to protecting citizens across the country from the growing threat of gang violence, the House Democrat leadership is simply out to lunch.

~Virginia Foxx

China's idea of fair trade is government subsidies of its textile and apparel exports to the United States, currency manipulation, and forgiveness of loans by its government banks.

~Virginia Foxx

Democrat leaders are not only out of the American mainstream, but are also out of the Democratic mainstream.

~Virginia Foxx

If we do not make tough decisions now, future Americans will have to make even tougher ones.

~Virginia Foxx

The number of kids affected by obesity has tripled since 1980, and this can be traced in large part to lack of exercise and a healthy diet.

~Virginia Foxx

China is crippling our manufacturing economy and eliminating our jobs by illegally flooding our markets.

~Virginia Foxx

Democrats believe they can win at the ballot box by obstructing, and they would rather win the next election than move America forward.

~Virginia Foxx

America does not fight for land, glory or riches.

~Virginia Foxx

The American people must not buy into the Democrat rhetoric.

~Virginia Foxx

One poll shows that by 61 percent to 29 percent Americans under 40 say that Social Security needs to be fixed.

~Virginia Foxx

Obesity among young Americans is a serious problem that can have serious ramifications in the long run.

~Virginia Foxx

A terrorist network that believes a nation so tested will fold under pressure of a few horrific acts may capture its attention, but will not achieve its submission.

~Virginia Foxx

In times of war, it is often best to look to our history to see how past generations of Americans dealt with the loss of their countrymen in just causes.

~Virginia Foxx

Liberty is not the unique right of Americans or even Westerners, but is mankind's right.

~Virginia Foxx

I like the idea of giving workers control and putting their money into their personal accounts.

~Virginia Foxx

The life expectancy is much longer today than it was when Social Security was created.

~Virginia Foxx

Adult stem cells tend not to form tumors.

~Virginia Foxx

A stem cell is essentially a blank cell capable of becoming another, more differentiated cell-type in the body, such as a skin cell, a muscle cell or a nerve cell.

~Virginia Foxx

In the face of terrorism, a united front is one of the strongest weapons.

~Virginia Foxx

This bill reminds me of the tactics of the former Soviet Union - and we know how successful that was.

~Virginia Foxx

The bill is emblematic of the attempt by the majority party to control every aspect of our lives.
