Architecture is not about space but about time.

~Vito Acconci

It's not the bullet that kills you, it's the hole.

~Vito Acconci

I'm using my own person in pieces, but I'm trying to turn my person into a nonperson in the sense of a person without will, without volition. I'm subjecting myself to a scheme.

~Vito Acconci

I like Richard Serra sculptures too but I wish they had a goddamn hot dog stand inside.

~Vito Acconci

I was always fascinated by diagramming a sentence. Because that is going into a space, going into a world of language.

~Vito Acconci

Maybe I had to stop photographing so that I could learn to touch.

~Vito Acconci

Public space can be a lot better with some private space to contradict it and vice versa. It keeps the system alive. If the system is just one thing, then it's closed and it eventually dies.

~Vito Acconci

I didn't want to admit that I was a performer. A performer meant spotlights - a performer had connotations of theater. I would have preferred agent to performer.

~Vito Acconci

As a kid I learned notions of art and notions of not having any money.

~Vito Acconci
