There will be other forms in addition to our classic marriage. One is already looming on the horizon: polyamory, or having more than one intimate partner.

~Volkmar Sigusch

Sexual desire declines after four to seven years. That's been proven.

~Volkmar Sigusch

The traits of our sexual culture are still speechlessness, loneliness, violence and not enough desire and love.

~Volkmar Sigusch

When it comes to sexuality, people like to tell lies. It's only when it comes to money that they lie more.

~Volkmar Sigusch

Good sex can be anything, including dirty.

~Volkmar Sigusch

Fantasies have to remain dirty. Cleanliness, scrupulousness and rationality are poison for eroticism.

~Volkmar Sigusch

The sexual revolution produced cultural convulsions that were unparalleled in the 20th century.

~Volkmar Sigusch

For people who are desperate and searching, sexuality on the Internet offers an incredible release.

~Volkmar Sigusch

Exaggerated portrayals apparently destroy desire more effectively than any repression.

~Volkmar Sigusch

I'm reminded of a female patient who was particularly aroused by the shape of her husband's shoulder. And this hint of perversion should ideally remain a secret for both partners.

~Volkmar Sigusch

Internet sexuality shows that we're becoming more and more self-involved. I'm talking about self-sex.

~Volkmar Sigusch

Most pornographic images are simply too repulsive.

~Volkmar Sigusch

It's important for a couple to talk about their sexual preferences. On the other hand, the aura of the mysterious should be preserved.

~Volkmar Sigusch

Sexuality is pushed back more and more and people try to replace what they've lost with other forms of excitement.

~Volkmar Sigusch

There are young men who want thrills but no longer value sex, so they do completely different things, including aggressive things.

~Volkmar Sigusch

There are pedosexuals who, even if the court forces them to go into treatment, do not pursue it or cannot pursue it.

~Volkmar Sigusch

We are all potential murderers, and we are all potential rapists and abusers.

~Volkmar Sigusch

Just go to an auto show, and you'll see all the signs of sexual arousal in the men: shiny eyes, tremors, sex flush. An acute example of the need

for professional sex research.

~Volkmar Sigusch

I will always be referred to as a theorist, but I was only a fellow traveller with a degree.

~Volkmar Sigusch

The sexual revolution of the 1960s was mostly a movement of young people. I felt that the so-called "free relationships" were overrated.

~Volkmar Sigusch

Some 95 percent of all sexual contact still occurs in permanent relationships. That's an impressive number.

~Volkmar Sigusch

While the Internet generally tends to have a stress-relieving function for adults - as long as they aren't inclined toward sex addiction - I don't see this being the case for adolescents.

~Volkmar Sigusch

The things that could be derived from the sexual sphere - happiness, endless fun and the end of capitalism - were grossly overestimated. The symbolic overglorification was downright unbearable.

~Volkmar Sigusch

I have the utmost respect for people who are asexual. I didn't believe that they existed at first. But they do exist, and their numbers are growing.
