I like the pause that tea allows

~Waris Ahluwalia

My inspiration is always love and history, and my passion to a fault is craftsmanship and responsibility. Those are the simplest things. It goes beyond jewelry. It's every part of my life.

~Waris Ahluwalia

My mission in life is to preserve craftsmanship.

~Waris Ahluwalia

I travel a lot, and I hunt for fabrics, then I have the tailor make me something.

~Waris Ahluwalia

I create with my heart, so life and work inevitably intersect all too often.

~Waris Ahluwalia

I love driving in the city at night.

~Waris Ahluwalia

I just want to create, and socializing is part of the experience. It might sound crazy, but I don't see myself in the jewelry business. It's an experience.

~Waris Ahluwalia

I'm driven by history and our past. That's why I work in gold. It's in your veins. We've been lusting after gold since the beginning of time. God, glory, and gold.

~Waris Ahluwalia

It's beyond my control how I'm perceived.

~Waris Ahluwalia

I have always had a sense of curiosity and aspiration.

~Waris Ahluwalia

My inspiration is love and history.

~Waris Ahluwalia

My friends are a huge part of my inspiration.

~Waris Ahluwalia

I wouldn't know how to think inside the box because I don't even know where it is. I wouldn't know how to do it any other way.

~Waris Ahluwalia

People who know me know that theres a light-hearted side, humour...
But you could easily say I am cheeky.
