

Warwick Davis

Quotes

People, Actors, World, Needs, Character, Film, Average, Feet, Mean, Parent, Years, Kids, Book, Suffering, Body, Roles, Legacy, Acting, Worry, Grateful

My parents armed me with an amazing sense of humor, and it's what you need when, well, it's what anyone needs in this world.

~Warwick Davis

The world worries about disability more than disabled people do.

~Warwick Davis

In a costume, you need very exaggerated body language - as you say, sort of mime-type skills.

~Warwick Davis

As you get older, you can suffer from painful hips, and our joints wear a lot quicker than for people of average height.

~Warwick Davis

My dad instilled in me a great sense of humor. I wasn't bullied at school because my outward attitude was confident, and that helps.

~Warwick Davis

I find vacuuming very therapeutic, but I hate ironing. I usually have no shirt on while ironing, because I'm ironing it, and I end up burning my chest.

~Warwick Davis

People who are short, they're often portrayed as the victim.

~Warwick Davis

So, I think I'd be grateful for the next job. I always am. And I always consider everything I do to be the last thing I do.

~Warwick Davis

I do a lot of public speaking and presentations and I'll always start with a self-deprecating joke to make everybody feel comfortable with my size because there can be hang-ups and anxieties.

~Warwick Davis

There's nothing better than going to the movies and going into another world, and forgetting about everything that's happening outside.

~Warwick Davis

I don't want to be just somebody short who happens to act. I hope my legacy will be Warwick Davis, Actor.

~Warwick Davis

My parents are both average size. For them to have a child who was very, very different and very, very small must have been incredibly hard.

~Warwick Davis

I would like to play an average guy. I would have loved to play opposite John Candy in a movie. That was my dream for a long time, and sadly, now I can never realize that. But I'd like to do comedy.

~Warwick Davis

If you love Harry Potter, you're going to absolutely love this...this is the biggest box set that Warner Bros. has ever done. If it was any bigger, it'd need wheels.

~Warwick Davis

Very obsessed fans do ask actors to attend their weddings.

~Warwick Davis

And I feel that filmmakers ought to be careful with the use of 3D. Because if you look back over the decades, you see that 3D has come and gone for I don't know how many years now.

~Warwick Davis

I run Willow Management, which is the biggest agency for other short

actors. We look after performers who are either under five feet and over seven feet tall.

~Warwick Davis

Nothing's better than coming away from a film when people don't even recognize you, because you've undergone a total transformation.

~Warwick Davis

You've got to love acting and that's true for me. I love the idea of getting on stage and getting in front of a camera.

~Warwick Davis

When I came up with the character of Wicket for 'Return Of The Jedi', which was my first film, I was a kid of 11 years old, and I basically was playing a very young Ewok.

~Warwick Davis

I wouldn't change a thing about my family.

~Warwick Davis

I mean, I would say I get five or six e-mails every day from people asking, "Is there going to be a Leprechaun 6?' It's probably the most asked question besides, 'Is there going to be a Willow II?

~Warwick Davis

I don't crave fame. I mean, it's nice to be recognized. It is useful.

~Warwick Davis

My wife is short, and my two kids are also small.

~Warwick Davis

When you do films that have multiple sequels, you develop a character for a film.

~Warwick Davis

I'm an actor, and when I close the door at home I'm kind of off-duty.

~Warwick Davis

As a film actor, you don't often get that opportunity to meet with your audience and take your applause on stage.

~Warwick Davis
