If I had my personal view, perhaps that might take hold. In fact, I don't want to see another dog or cat born.

~Wayne Pacelle

The life of an ant and the life of my child should be accorded equal respect.

~Wayne Pacelle

Our goal is to get sport hunting in the same category as **** fighting and dog fighting. We are going to use the ballot box and the democratic process to stop all hunting in the United States.

~Wayne Pacelle

We have no problem with the extinction of domestic animals.

~Wayne Pacelle

If we could shut down all sport hunting in a moment, we would.

~Wayne Pacelle

Human care (of animals) is simply sentimental, sympathetic patronage.

~Wayne Pacelle

Human creativity and innovation is going to make the exploitation of animals look not only inhumane but obsolete and cumbersome.

~Wayne Pacelle

The definition of obscenity on the newsstands should be extended to many hunting magazines.

~Wayne Pacelle

We're against animal fighting and killing animals for fur.... We want Americans to eat fewer animals

~Wayne Pacelle

We would be foolish and silly not to unite with people in the public health sector, the environmental community, [and] unions, to try to challenge corporate agriculture.

~Wayne Pacelle

As a society, we are typically deeply disassociated from animal cruelty, but more than ever, animal protection organizations are telling the backstory.

~Wayne Pacelle

The issue of xenotransplantation - such as transplanting animal organs into humans - is fraught with risks for animals, naturally, and for people.

~Wayne Pacelle

Animals for the most part just need to be left alone.

~Wayne Pacelle

We've witnessed so many revolutions in our society. Think of transportation, photography, or communications. Things once unimaginable have become seemingly impossible to live without.

~Wayne Pacelle

Animal abuse is still widespread and we have so much work ahead.

~Wayne Pacelle

Especially in this Internet age, routine practices are being exposed and rightly recognized as harsh and cruel.

~Wayne Pacelle

Media coverage of the legislative fights is overwhelmingly negative for agriculture interests. The impression left among consumers is that the proponents had something to hide.

~Wayne Pacelle

China is a keen observer of trends elsewhere in the world, and it's going to give our own innovators a run for their money.

~Wayne Pacelle

China cares about its reputation and doesn't want to be known as the nation whose preferences drove the extinction of elephants.

~Wayne Pacelle

When we transplant organs, we are enabling viruses to jump natural barriers between species.
