If in a country, most of the wealth is concentrated in the hands of the few, then this country can hardly witness harmony and stability.

~Wen Jiabao

Confidence is the most important thing, more important than gold or currency.

~Wen Jiabao

More scientific language and less diplomatic rhetoric may make this world even better.

~Wen Jiabao

The speed of the fleet is not determined by the fastest vessel; rather it is determined by the slowest one.

~Wen Jiabao

I believe I and all the Chinese people have such a conviction that China will make continuous progress and the people's wishes for and needs for democracy and freedom are irresistible.

~Wen Jiabao

I have a dream to provide every Chinese, especially children, sufficient milk each day.

~Wen Jiabao

If people are able to run the affairs of a village well, eventually they'll be able to run a township, and a county.

~Wen Jiabao

Only science and the spirit of seeking truth from facts can save China. I firmly believe in this.

~Wen Jiabao

Only when the masses are reassured, can the country be at peace.

Only when the country is at peace, can the leaders be relieved.

~Wen Jiabao

Sino-Japanese relations will certainly brighten more in the future and the flowers of friendly Sino-Japanese relations will increase their beauty.

~Wen Jiabao

Cooperation is just like two pagodas - one hardware and one software. Combined, we can take the leadership position in the world.

~Wen Jiabao

As long I still have a breath left in me I will dedicate myself fully to China's reform.

~Wen Jiabao

Socialism as I understand it is a system of democracy. Without democracy, there is no socialism.

~Wen Jiabao
