My definition of love is: Being willing to die for someone, that you yourself want to kill.

~Whitney Cummings

A true friend will go with the instagram filter that flatters you.

~Whitney Cummings

When a guy writes a scene where a woman does a deviant sex act on camera, it's objectifying. But when a woman writes it, it's feminism.

~Whitney Cummings

I have so much to be thankful for. I work with the most amazing people, get to make people laugh for a living and have the most amazing friends. But, I am mostly thankful for Spanx.

~Whitney Cummings

I don't think that women necessarily always write like women. I was a writer on the Comedy Central Roasts for a while, and I always wrote the jokes that people assumed the men would write.

~Whitney Cummings

I guess the verdict is in - I am not a sociopath. It's not effective or productive not to be nice. It would undermine the goals I want to achieve on any given day.

~Whitney Cummings

Good evening, America. I'm a woman, and welcome to The Late Late Show.

~Whitney Cummings

Saying women aren't funny is now like saying Asians can't drive or saying black people have bad credit. It's just really, like, so obsolete.

~Whitney Cummings

Why do all balls look like they're 150 years old?

~Whitney Cummings

I don't want to look at myself - ever. All I see is that my face is a problem. It's asymmetrical. I get terrible bags under my eyes.
