I really feel like the sky is the limit. I'm a dreamer, and I dream in full vivid color HD.

~Will Packer

It's always better if you can keep the bar low, and then exceed the expectation. When it's high, that makes the job even tougher. But, I think we're up for the challenge. We're ready.

~Will Packer

We need more filmmakers of color telling the story. I'd like to see more filmmakers take their products out independently, put together a good commercial film and distribute it online.

~Will Packer

I think that America is more diverse than ever before, and is continuing to become more diverse, and our content should and is reflecting that.

~Will Packer

In real life, holidays are extremely stressful. They're the best of times and worst of times because you have got people trying to get along with people that you don't always get along with.

~Will Packer

Obviously, my stuff has been more in the comedy realm, and I really believe that if I'm laughing behind the camera, then I think the film will be funnier.

~Will Packer

My philosophy is making a movie is difficult enough and I just feel as if you should have a really good time when you do make films whether it's a drama or a comedy.

~Will Packer

I never want someone to come out of one of my films and say, "Damn. I

wasted an hour and a half of my life." I'm trying to avoid that.

~Will Packer

For me, I look at a project that has a story that's going to resonate in some way. It doesn't have to be about a message. It doesn't have to have some underlying theme of overwhelming importance.
