## Quotes

*Stupidity, Stupid, Italian, Art, Political, Real, World, Men, Gambling, Marketing,  
Power, Religious, Practice, Trying, Criminals, Pain, Media, Spiritual, Lasts,  
Management*

You must try to make the most of all that comes but also don't forget to learn a lot of all that goes.

~William C. Brown

A murderer is nothing but an enzyme. In the end he does nothing but catalyze an inevitable process. As a good precursor, in fact, he anticipates it.

~William C. Brown

The real fighter knows perfectly well that there is no difference between victory and defeat, friend and enemy, day and night, life and death.

~William C. Brown

When you are a great scholar of stupidity, logics and marketing, you can do practically everthing, from business to trading, from spiritual research to artistic criticism.

~William C. Brown

A stupid disgusting bore is a guy who has nothing to say, and nonetheless says it anyway.

~William C. Brown

Once I was adviced never to trust a pretty face. Well, and what should I do when a meet a shithead?

~William C. Brown

We all live in a small unique world, that's why we need at least one sole common language.

~William C. Brown

Examples of human stupidity. Blasphemy in Pakistan can now include spelling errors by children or throwing away a card bearing the name "Muhammad".

~William C. Brown

The deviant that does not observe the trivial uses of the language is a poet, a deviant who violates the banal customs of society is a criminal.

~William C. Brown

If you can't share wealth, prosperity and happiness, then you must at least share suffering, pain and death. To destroy in order to create!

~William C. Brown

One of the main purpose of art has ever been that of making its indispensable contribution to the growth of entropy of the universal stupidity.

~William C. Brown

The goal of Computer Science is to build something that will last at least until we've finished building it.

~William C. Brown

I am a scholar of stupidity, so thanks for existing.

~William C. Brown

Money management is the only strategy to survive in this crazy, stupid and doped financial world market.

~William C. Brown

If you don't like trading, gambling and betting, then you don't like living.

~William C. Brown

Another soldier has been killed. Dulce et decorum est pro patria mori.

~William C. Brown

What's the meaning of "giornalista professionista"? I have always thought a professional to be a good prostitute!

~William C. Brown

Since the universe is stupid, it's no wonder that social Darwinism tends to support, promote and finance the evolution of fools.

~William C. Brown

Never underestimate the enemy, above all if he is a stupid one and deserves to be killed.

~William C. Brown

Invest in stupidity, its stocks never go down.

~William C. Brown

Literature can be divided into two large families: the religious and the secular one. The first reveals the origin of stupidity, the second follows its evolution.

~William C. Brown

Man is certainly the most disgusting kind of worm that has ever crawled on this stupid ugly planet.

~William C. Brown

The poor should learn what has always been the motto of the rich: "What's mine is mine and what is yours if I can I steal it."

~William C. Brown

Life is deceitful because all warfare is based on deception.

~William C. Brown

All art is political, all art is a martial one.

~William C. Brown

Italian politicians are too stupid to deserve my vote, but they can get over it with my critical, denunciatory, satirical, vitriolic and vituperative invectives.

~William C. Brown

First of all you must understand that practising martial arts means studying a certain oriental philosophy of life, otherwise it's merely a vacuous sport devoid of any significance.

~William C. Brown

The more you find out about the world economy, the less you may truly know.

~William C. Brown

How can you fight stupidity effectively? The answer is simple: it's not easy.

~William C. Brown

The common curse of mankind, folly, ignorance and stupidity.

~William C. Brown

Dear doctor, you must not only let the patient tells his story, but you should also try to understand it.

~William C. Brown

As far as humanity is concerned the origin of stupidity is itself.

~William C. Brown

Repetita iuvant. Italy, a land of great saints, poets, sailors, artists, statesmen, businessmen, lawyers, intellectuals, professors, journalists, whores, gangsters, religious parasites and dickheads.

~William C. Brown

The true language of commerce is the natural conversation between human beings.

~William C. Brown

It's an extremely good thing that money sometimes changes hands.

~William C. Brown

Italian politicians are stupid and expensive, that's why they should be fired, abolished, or better eliminated.

~William C. Brown

Political parties in Italy are so stupid and expensive that they deserve to be abolished.

~William C. Brown

In hard times of severe crisis if you want to create new jobs, I recommend you to start killing some people. It's the old "topos" of war in time of peace.

~William C. Brown

Communism has failed; capitalism has failed; common sense has failed; now has to fail stupidity.

~William C. Brown

What's the advantage to have hundreds of words to define stupidity, when the essence is always the same.

~William C. Brown

The media and their journalists are merely megaphones for stupidity, the verb par excellence.

~William C. Brown

Only eliminating all pains in the ass the real mild and gentle man can live in peace.

~William C. Brown

Life is nothing but a bet that in the end everyone is doomed to lose. So you'd better get used!

~William C. Brown

Never undervalue the enemies, especially if they are stupid.

~William C. Brown

Would you like to do something good for the future of the human race; well, start killing some of its powerful members.

~William C. Brown

Trading is more or less like betting or gambling, but only without the pleasure show of the game.

~William C. Brown

When the balance is broken then everything includes itself in power, power into will, will into appetite. So appetite, aided by will and power, becomes a universal wolf, at last eating up itself.

~William C. Brown

To vegetate you don't need to read!

~William C. Brown

In order to be a writer, first you must become an alive dead spirit.

~William C. Brown

Man is the only animal for whom his own stupid existence is a problem which he has to try in vain to solve.

~William C. Brown

Everyone can collect quotes, it's a bit different to write 10,000 original ones.

~William C. Brown

Religion is only literature, but luckily literature is not only religion.

~William C. Brown

Whatever you do the Daimon Club for sure can do something for you too, of course, and together we can do so much more! Join us!

~William C. Brown

**The real hero must fail in order to succeed.**

~William C. Brown
