Two, Disease, Heart*

It is critical that parents and other trusted adults initiate conversations with kids about underage drinking well in advance of the first time they are faced with a decision regarding alcohol.

~Xavier Becerra

Twenty million more have Chronic Kidney Disease, where patients experience a gradual deterioration of kidney function, the end result of which is kidney failure.

~Xavier Becerra

Individuals with kidney disease who are able to obtain treatment early experience a higher quality of life and are able to maintain more of their day-to-day activities, including keeping their jobs.

~Xavier Becerra

According to the American Heart Association, the prevalence of hypertension in African Americans in the United States is among the highest in the world.

~Xavier Becerra

But 18 years after the passage of the Civil Liberties Act, there still remains unfinished work to completely rectify and close this regrettable chapter in our Nations history.

~Xavier Becerra

The good news is that parents are the leading influence on kids decision not to drink alcohol.

~Xavier Becerra

The Smithsonian museums are among this country's most endearing treasures and I look forward to helping maintain and enhance their coveted works of art.

~Xavier Becerra

As of 2002, two million Latino adults had been diagnosed with diabetes.

~Xavier Becerra

According to the National Institute on Drug Abuse, the first use of alcohol typically begins at age 12.

~Xavier Becerra

Diabetes occurs at twice the rate in the African American community as it does in white Americans.

~Xavier Becerra

According to Teenage Research Unlimited, 51 percent of 13-15 year olds say they will be faced with making a decision regarding alcohol in the next three months.

~Xavier Becerra

Winning the peace is harder than winning the war.

~Xavier Becerra

NoH8 on the Hill, NoH8 anywhere. No American, regardless of who they love, should be denied equal protection under the law. History is on our side and our march towards justice will prevail.

~Xavier Becerra
