The new update of 2014-2015 is, of course, the attack of ISIS. But this is rooted in recent history. It is the direct result of all the politics that came into Iraq with the occupation.

~Yanar Mohammed

I would like to see the Iraqi government guarantee social insurance for the Yazidi women who were enslaved and to recognise their status as prisoners of war.

~Yanar Mohammed

Young women growing into situations with no parents are usually material for exploitation in the brothels.

~Yanar Mohammed

The leading members of ISIS were either tortured in US military prisons or in the prisons of the Shi'a government which the Americans put in place.
