The Earth is Art, The Photographer is only a Witness.

~Yann Arthus-Bertrand

An image of the earth, its landscapes, directly affects people. The beauty of the earth creates enormous emotion, and through that emotion, you can transmit knowledge and raise consciousness

~Yann Arthus-Bertrand

I wanted to be a scientist. I did a thesis on lions. But I realised photography can show things writing can't. Lions were my professor of photography.

~Yann Arthus-Bertrand

The lions taught me photography. They taught me patience and the sense of beauty, a beauty that penetrates you.

~Yann Arthus-Bertrand

It's time to come together. We all have the power to change, so what are we waiting for?

~Yann Arthus-Bertrand

To have success in your professional life is not so hard. To succeed as a man is more difficult.

~Yann Arthus-Bertrand

Will we be able to imagine a new culture of water?

~Yann Arthus-Bertrand

I always take hundreds and hundreds of pictures. I used to work for National Geographic, and they gave us a lot of film.

~Yann Arthus-Bertrand

No one is an environmentalist by birth. It is only your path, your life, your travels that awaken you.

~Yann Arthus-Bertrand

The key of 'The Earth from Above,' and of 'Home' is to show the beauty of the planet, and thereby to promote love for it.

~Yann Arthus-Bertrand

I'm not an expert when it comes to technology, but what changed things for me was autofocus. I used to have to throw away half my pictures because it was so difficult to get the focus right.

~Yann Arthus-Bertrand

For me, an aerial picture is no different than a close-up portrait. It's a question of framing and angle. Helicopters are great for that. But I've also used planes. Of course, I always have a harness.

~Yann Arthus-Bertrand

I never lose an opportunity to speak about my obsession: humankind and the environment.

~Yann Arthus-Bertrand

The trust we build over the years is of tremendous help to me when I start in a new project and need to find associates.
