There are two conflicting philosophies that I love: "Everything happens for a reason," as well as "you can change everything that you have control over."

~Yara Shahidi

Week-by-week you grow with your character and it's an interesting challenge.

~Yara Shahidi

I'm lucky; my parents have never said to me, "You're a kid, so you just don't know." They say, "How can we discuss the world and learn from these events together?"

~Yara Shahidi

I feel like there's no need to put on a heel that's too high. There's nothing cute about wobbling. There's nothing cute about not wanting to dance or walk somewhere because you're in pain.

~Yara Shahidi

I like to be in control of my body. Also, I love getting into character and exploring a different aspect of who I am.

~Yara Shahidi

I try to preface everything with "this isn't new." Because most social movements have happened before and I get that. Nothing I'm doing is new.

~Yara Shahidi

I really love hip hop. My cousin Nas came out with an album Life Is Good, and I love that album, but I also love Maroon 5.
