Believe in yourself, even if you feel like turning back at times. Don't run away. Little by little you will get closer to achieving your dreams.

~Yunho

Good appearance doesn't make a real man. The important thing is to do your best and keep your promises. A real man should show his faith in actions (rather) than words.

~Yunho

I think, a secret love is something none of your friends would understand. And it's like a fairy tale, but more serious.

~Yunho

For me 'Thank You'. This word has a very deep meaning.

~Yunho

If I were invisible I'd go to the amusement park~

~Yunho

For dreams to come true, it requires diligence. Believing is the most important thing!

~Yunho

Once you reach the top of the mountain and you want to climb the next one, you have to slowly make your way down that first mountain. Trying to jump from the summit would get you hurt or killed.

~Yunho

Dwelling in failure won't change anything nor will it create a good outcome.

~Yunho

I hope that the members of TVXQ would always continue. Right now, our friendship is already very strong. But I hope that in the future, it will

definitely grow even stronger!

~Yunho

Difficulties can be overcome by not giving up.

~Yunho

Even when you're feeling dejected, don't avoid the problem, confront it. That way you'll eventually realize that your dreams are in fact attainable.

~Yunho

I think the most important thing about holding a concert is to enjoy the moment, rather than showing off.

~Yunho

Even when there are no results. Things you can and can't do. Things you can and can't win. Even if there's none of that, I'll still try my hardest.

~Yunho

I like to keep my curiosity alive and question everything, and because I hate leaving something undone once I start it, I think far into the future.

~Yunho

Each member were lead singers from different groups but later we were put together to make DBSK.

~Yunho

Instead of physical objects, (in order to have faith in myself) I have my personal mottos/charms to keep myself motivated and then I smack my chest.

~Yunho

I'm usually quite honest about expressing what I feel but there are

times when I let things pile up inside me and the hurt feelings take over.

~Yunho

I want people to see my unique charm I have in contrast to the other artists.

~Yunho

Have confidence. Even if it's a perilous road, one day you will reach your goal.

~Yunho

I don't believe in luck. There are things that you have to work hard for.

~Yunho

From the moment you make a decision, you lock your thoughts in a set mold.

~Yunho

There are people who are waiting for me. I can only continue living when I stand onstage.

~Yunho

Though people see me in a good light all the time, I turn off my phone and take time to have a good conversation with myself while enjoying nature alone when I'm having a hard time.

~Yunho

I get so much energy to work harder when I meet and greet younger kids because they like me with such innocent hearts.

~Yunho

I walk around a lot secretly. Even when I use a car, I park it briefly and walk. It seems that I still need some time alone to think and sort out

things myself.
