Teaching, Office*

I would love to do a drama. I did a couple of episodes of *The Good Wife*, which is more of a drama. I really liked that; I thought it was interesting. A lot of my favorite comedies play out as dramas.

~Zach Woods

I'd like to be able to do complex math in my head. Any kind of adversity and I become very anxious, but if you're a robot, you have good equilibrium. I wish I was cooler under pressure, like a robot.

~Zach Woods

It's always fun to improvise. What's weird is that when you're recording, you're by yourself, for the most part.

~Zach Woods

If I was a part of secret ninja group my power would be the power of apology. I would just apologize emphatically and freely. And my mech might just be a phone to send apologetic emails from.

~Zach Woods

I don't go to see many comedies anymore, because I guess it feels like another day at the office.

~Zach Woods

I feel all of the archetypes in Silicon Valley probably exist in some other form in other subcultures.

~Zach Woods

I remember as a child listening to comedic musicals and thinking they were a real riot. I had pretty questionable taste in comedy.

~Zach Woods

When I was a kid I wanted to be a musician. I used to play the trumpet. I practiced all the time, but I got braces and I couldn't play it anymore, so I had all of this free time.

~Zach Woods

As I get older, I think I'm more interested in comedy that doesn't take cheap shots. But I watched some of that Justin Bieber "roast" and I thought it was hilarious.
