Oh I've done bungee jumping. Skydiving, I have motorcycles that I ride. I'm a little bit of an adrenaline junkie in that way.

~Zachary Levi

What is your peace all about? What is your comfort all about? Where do you get your love? Where do you get your talents? And I can turn to them and say without blinking, 'Jesus Christ.'

~Zachary Levi

Nerd. One whose unbridled passion for something defines who they are as a person, without fear of other people's judgment.

~Zachary Levi

I do think about The Flash often. I think that could be a really fun role to play at some point. That's right up my alley. I just want somebody to believe in me that I could be a Superhero.

~Zachary Levi

As far as being an actor is concerned, you have to have passion. If you're not bringing the passion of the character into the room with you, you might as well not come into the room at all.

~Zachary Levi

I am afraid for my health. I'm definitely burning the candle a little, at both ends, and I have to be careful about that.

~Zachary Levi

I hope there's always at least a small part of me that's always surprised, always taken aback, always childlike or innocent.

~Zachary Levi

I wish it was a little easier for an actor to later go into singing and have it be accepted, but maybe I can still do it.

~Zachary Levi

I could probably give you a list of a dozen pet peeves I have about my own physicality and why I couldn't get a second date.

~Zachary Levi

I believe that as an entertainer, you're only as good as your audience and the people who support you.

~Zachary Levi

What resonates with people is that it feels like you actually are thinking of them.

~Zachary Levi

I mean, I like to consider myself a reasonably athletic guy.

~Zachary Levi

I get a lot that people have a hard time believing that I'm a nerd... but I grew up with a Nintendo controller in my hand.

~Zachary Levi

I think that 'Family Guy' is hysterical. It's edgy and hip - and they can do whatever they want to do because it's animated and they're not limited by budget.

~Zachary Levi

I had gotten the role of Fandral in Thor, but scheduling conflicts (with Chuck) prevented that from going forward.

~Zachary Levi

I love being able to be the artist of the whole picture, as opposed to just one of the brushes.

~Zachary Levi

I believe in conscientious capitalism; that's a kind of driving force with me.

~Zachary Levi

It's tough to fully believe in yourself sometimes.

~Zachary Levi

I think everyone is their harshest critic, but I strive for excellence as much as I can because I think it shows.

~Zachary Levi

Oftentimes, people start with something, whatever it is, and it's great, but over the years, it loses its focus or way and corners get cut. Some people are fine with that, but I'm not.

~Zachary Levi

Entertainment has this way of resetting itself.

~Zachary Levi

Fans will treat something preciously if they're given the opportunity to do so.

~Zachary Levi

I started in theater, and I love to go back to theater, just to have the experience and recharge my batteries, creatively.

~Zachary Levi

My high school experience was pretty good, but my middle school experience was god awful. It was horrible. I got picked on like no tomorrow.

~Zachary Levi

My whole background, my whole life was just lots and lots of theater, a lot of that being musical theater.

~Zachary Levi

On a personal level, I love the idea of hosting an awards show. I think that sounds like kind of a fun thing to do.

~Zachary Levi

People don't talk about religion a lot in Hollywood because it's not an incredibly safe place to do it.

~Zachary Levi

Films are really cool because, every couple months, or however many times you can get a job because there's a lot of luck involved in that, you're playing a different character.

~Zachary Levi

I just try to remember my lines most of the time.

~Zachary Levi

I want to go create my own independent content and entertainment, in new models and in new ways, and essentially show studios and networks that people are good.

~Zachary Levi

I'm looking forward to playing some really despicable characters at some point in my career so I can branch out and stretch those acting muscles. But I wouldn't want to do that on a regular basis.

~Zachary Levi

I am a huge comic book nerd and video game nerd, so to get to actually play one of those characters would be off the chain. It would be amazing.

~Zachary Levi

People are more willing to accept a singer as an actor, than an actor as a singer.

~Zachary Levi

You know, Hollywood is a very interesting town - always has been, always will be.

~Zachary Levi

When I was a kid, I used to be way more nerdy about comic books and comic book characters. I still love them, but I don't collect anymore.

~Zachary Levi

I love reading about all of the breakthroughs and all of the new tech, even just the little household things that are coming on the market. I've always been nerdy about that.

~Zachary Levi

The thing I've always been most nerdy about is technology, in general.

~Zachary Levi

I read graphic novels, here and there, but I'm not a comic book guy, as much.

~Zachary Levi

I just love going down into the crowd and getting people pumped up and dancing.

~Zachary Levi

Deadpool would have been an amazing character to play, but Ryan Reynolds already did that.

~Zachary Levi

I have a hard time with scheduling, and with hunkering down and planning. That's always been a struggle for me.

~Zachary Levi

I think that it's much easier for a recording artist to become an actor than for an actor to become a recording artist.

~Zachary Levi

If I had all the money in the world, I'd be like, "Great, let's just keep doing it!" I, unfortunately, have not won the lottery or found the magic genie lamp.

~Zachary Levi

Television is a pretty great job, to begin with, and I wouldn't have anything, if it weren't for the jobs that I've had in the past that have built up to that

~Zachary Levi

I'm going to trust God that I'm not going to completely burn out, and that I'll have the energy in me to stay in it. Fortunately, I have really excellent people around me that are helping me.

~Zachary Levi

You just want to make something that's awesome and that people dig, and I'm excited about it.

~Zachary Levi

The future and where we're going can be very terrifying, in some ways, but it's also really inspirational.

~Zachary Levi
