When Reality is a prison, Your mind can set you free.

~Zack Snyder

There's very few dork movies made by dorks.

~Zack Snyder

We've tried as hard as we can into keep the ideas intact in the hail storm that is Hollywood, so, whether he is or not, I'm personally proud of what I've been able to jam down their throats.

~Zack Snyder

The eyes get lost in 3-D. With 3-D, your eyes are looking for the plane of focus, right? And the problem is, when you do quick cuts, your eyes can't find it.

~Zack Snyder

I think I just have a natural operatic aesthetic. I can't help it.

~Zack Snyder

My mom always encouraged me, it was never weird. She'd look at 'Heavy Metal' and go 'Woo-hoo!'

~Zack Snyder

I write in a pretty straightforward way. I kind of sit down at page one and start writing.

~Zack Snyder

It's difficult to find a movie that feels true to itself. You feel the hand of Hollywood, the moviemaking by committee, on everything.

~Zack Snyder

When I make a live-action movie, it's a very physical process. It's like running a marathon.

~Zack Snyder

I heard one time that the Superman glyph is the second or third most recognizable symbol on Earth after the Christian cross.

~Zack Snyder

It's more like Christmas, you know, when you get a shot in that looks great and it's exactly what you want. It's a great feeling, and there's nothing like it.

~Zack Snyder

I love the irony of movies. I really do. For whatever reason, I'm incredibly intrigued by the irony of reality in a motion picture.

~Zack Snyder

I imagine the film ["300"] as if I was a Spartan and I had never seen an immortal or a Persian, or an elephant or a rhino for that matter.

~Zack Snyder

Yeah, I mean, I think I'm obsessed with tone in the movies. Tone has always been the main thing that I go after with a movie.

~Zack Snyder

I'm interested in animation. I actually feel like I've learned so much about the process how to make an animated movie.

~Zack Snyder

One of the things I think is important about 'Watchmen' is that it have resonance within cinematic pop culture as well as superhero culture.

~Zack Snyder

Our plans for 'Superman?' I can't say. This is the most super secret thing ever. It's like working for the government, like I'm on a covert mission.

~Zack Snyder

Music has that ability to be a magical thing, and I was like, maybe music is the vehicle that transports us to that other world.

~Zack Snyder

I felt like, in the recent past, people have been apologizing for Superman, a little bit, for his costume, for his origins, and for the way he fits into society.

~Zack Snyder

Probably the hardest thing to do was the beginning of the movie ["300"], I think, when we were in Sparta and all that - just getting in the groove.

~Zack Snyder

I guess for me - in the TV commercial world I was known for shooting locations, beautiful landscapes and things like that - so, it's interesting.

~Zack Snyder

don't mean to sound weird but I get so immersed in the source material when I'm working on a movie that I kind of lose the line between what I thought of and what was in the book.

~Zack Snyder

I mean, it's weird because people lately have been coming up to me and going, 'Oh, my God. '300' is huge.' I'm like, 'Really? It's not done yet!

~Zack Snyder

Anytime I've ever been involved in a non-linear story, you see it in a linear manner first, just to make sure it makes sense, and then you chop it up and move it around.

~Zack Snyder

The problem is, when you're making an animated movie, the studio has an illusion in their minds - and it's really not true - that because it's a

drawing, it can be changed at any time.

~Zack Snyder

You can't have a Superman that is battling cultural morality. You need a Superman that has built in sort of values.

~Zack Snyder

I want to - we're working toward Justice League, and I really want to create the - part of the thing I really want to create is the possibility of a world where they could exist together.

~Zack Snyder

For whatever reason I was always obsessed with the potential of humanity's physicality. Especially since we grew up with such a non-physical philosophy.

~Zack Snyder

I love comic books - maybe to a fault sometimes.

~Zack Snyder

Of course it would depend on the project, but I don't think I could ever separate myself from my aesthetic.

~Zack Snyder

People have a very proprietary relationship with Superman. It's important to respect the iconography and the canon, but at the same time, you have to tell a story.

~Zack Snyder

I do like Superman as a character, and I have followed him throughout the years.

~Zack Snyder

You know, it's a hugely difficult thing to take any work of art or drawing

and say 'make that real.'

~Zack Snyder

I think Sin City is a good example. Nobody would accuse Sin City of being historically inaccurate because it takes place in modern times.

~Zack Snyder

My aesthetic is probably closer to a 15-year-old's than my dad's, but I get his conviction.

~Zack Snyder

I mean, like, I can go in a room and say, look, 'Watchmen' should be at least 15 minutes longer than 'Batman.' I mean, that's, like, any geek will tell you that.
