Modern materialists and religious extremists alike lack the spiritual animistic reverence for non-human beings that every culture once understood as a given.

~Zeena Schreck

Electricity for example was considered a very Satanic thing when it was first discovered and utilized.

~Zeena Schreck

When all that's left of us is the pure untainted consciousness without form, we'll know what it means when the last human breath expires.

~Zeena Schreck

Nostalgia is an illness for those who haven't realized that today is tomorrow's nostalgia.

~Zeena Schreck

When we don't put the brakes on our self-absorption, we have nothing stopping us from total self-destruction. We become the fruits of our actions.

~Zeena Schreck

Sex is like an atom bomb. A potent weapon which fascinates and frightens. We're afraid to let it loose, yet we all have our finger on the button.

~Zeena Schreck

Children and babies should be held in the most sacred regard. We feel that they're the most natural and true magicians.

~Zeena Schreck

What's wrong with being naked?

~Zeena Schreck

Immortal beings have been compared to stars, these are existences that linger on long after the death of the thing itself.

~Zeena Schreck

No doubt, humans will do a lot of damage before we ultimately destroy ourselves. But life will continue without humans. New forms of intelligence will emerge long after this human experiment is over.

~Zeena Schreck

Nothing could be easier than disturbing a status quo instituted by others; the real work of the sinister current is to break the rules we rigidly establish for ourselves.

~Zeena Schreck

On the left hand path we take the direct route, which is much more strenuous, much more dangerous, and much more likely to cause you to fall.

~Zeena Schreck

Consciousness is endless, from one incarnation to the next. It simply will and does manifest in other places and times, regardless of what becomes of the human race.

~Zeena Schreck

Only those few who are able to surpass their fear of death completely can fully experience the highest forms of life; not the mundane life of the mortal, but the godly life of the resurrected.

~Zeena Schreck

The core practice of magic is: The execution of a willed intent to create change in the material world, which either defies, hastens or purifies the consequences of natural cause and effect.

~Zeena Schreck

After you've seen behind the facade of a stage set you can't take the play seriously any more. In other words, you can't go backwards and regain your ignorance, you have to move forward.
