Those who realize that life is for growing and developing from each and every challenge, each day of our lives, live a life of joy!!!

~Zelig Pliskin

Every moment of life is precious and can never happen again and therefore is a reason to appreciate, be grateful for and celebrate the fact that you are alive.

~Zelig Pliskin

Write a list of ways that you have benefited from being married to your spouse. Then write a list of your spouse's positive patterns and qualities. Keep adding to the lists and reread them frequently.

~Zelig Pliskin

A person is both wise and wealthy when you master the art of appreciating what you already have.

~Zelig Pliskin

A person who takes a walk of 100 feet and a person who walks 2,000 miles have one major thing in common. They both need to take a first step before they take a second step.

~Zelig Pliskin

A person who has great wealth will still be unhappy if he hasn't also mastered gratitude!
