

Zia Haider Rahman

Quotes

*People, Writing, Thinking, World, Mind, Children, Reading, Believe, Mean,
Moving, Perspective, Book, Humility, Night, Baby, Reality, Complaining,
Humanity, Frightening, Hard Work*

Experience belongs to the actor, but the story belongs to the teller. We write so we will never forget.

~Zia Haider Rahman

The twentieth century saw a professionalization of fiction writing, particularly in its second half and particularly in the Anglo-Saxon world - not so much mainland Europe, for example.

~Zia Haider Rahman

Our interaction with our friends, for instance, is in large part an interaction with representations in our own head of the people before us. That's why a friend can surprise or disappoint us.

~Zia Haider Rahman
